

Our vision for PE and Sport at St Anne's is that there is:

- High quality teaching and learning across the school in all sports and physical activities.
- Children that have a good understanding of health and fitness and how to maintain their health and wellbeing through being active.
- A larger numbers of children taking part in extra-curricular sports clubs, intra-school competitions and in representing the school at tournaments, games and events.
- Children that have experiences of a wider range of physical activities.
- Children will not only play but be able to coach, lead and help other children understand how to play and participate in physical activities or sports.
