

Year 1 homework

Date: 14.02.19 (Spring half-term)

Maths	Literacy	Spellings
<p>This week, the children's homework requires them to use their knowledge of addition and subtraction to create number sentences from the pictures on the sheet.</p>	<p>This week the children have been asked to write sentences using the fancy dress pictures. Can they use adjectives to describe the outfits?</p>	<p>This week's spellings are: The children have not been given any spellings to learn over the half-term break. In the first week back children will be tested on their knowledge of tricky words. Chn should look through their tricky word lists (common exception words) they have already been given</p>

Reading

The children should bring in their reading books and reading records on a Tuesday and these will be changed weekly. If you could please ensure your child is reading with someone at home multiple times throughout the week (Approx. 5 min daily) as this helps them to become more fluent readers.

Topic Homework

The following tasks are based on our Literacy (Recipes and instructions) and history topic for the next half term (Travel and transport). You are free to choose any of the tasks below to complete (you may choose more than one). This is to be handed in any time over the next half-term.

Children can bake or cook any food they like. Take pictures of what you have made.

Children can write their own recipe based on something they have cooked at home listing the ingredients and writing about their methods used.

Children can create a model aeroplane using resources from home to prepare them for our topic "Travel and Transport" where they will learn about the history of flight and other modes of travel.

Children can visit a museum and learn about different modes of transport throughout history.

Children can research the history of flying planes on the internet and put together a short piece of writing.
