

End of Year Expectations for Year 2

Dear parents and carers

This information booklet provides parents and carers on the end of year expectations for children at St. Anne's RC Primary School.

The objectives in this booklet will be worked on throughout the year by the class teacher through direct teaching.

Parental support is vital and any extra support you can provide in helping your children to achieve these is greatly valued.

The national curriculum outlines these expectations as being the minimum requirements your child must meet in order to ensure continued progress through the year group that they are in.

Should you have need for any further advice or want support in knowing how best to help your child please talk to your child's teacher.
