22.10.2020

Dear Parents/Carers,

Thank you for your help and cooperation this term. It has been a new way of working for everyone and thankfully we have not had to close any bubbles/year groups.

As you are aware, the school closes tomorrow for October half term. However if your child is currently waiting to take a test or to receive the results of a test, I would be very grateful if you could continue to follow the process of informing the school if there is a positive result. To facilitate this process, could you please email the result to:

[admin@st-annes-pri.manchester.sch.uk](mailto:admin@st-annes-pri.manchester.sch.uk)

By continuing to let us know if your child tests positive, we can notify and advise you and any close contacts with regards to the length of isolation and the date that your child/close contacts can return to school. This will also help us to safely ensure that risk of transmission is reduced.

Should your child receive a positive result you should inform us as outlined above and follow the **Stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection**. It is very important that everyone follows the above guidance should your child test positive and isolate for the required period, to help reduce the spread of infection. This includes not attending any play schemes, youth provision, leisure centres or sports activities etc which may have been planned for the school holidays. There is also a ban on mixing with households both indoors and outdoors now that the city is in Tier 3 restrictions.

Should your child be identified as a close contact of someone who has tested positive within the school, you will be contacted by us and informed about the required isolation period and date that your child can return to school. It is important that you follow the advice and guidance in relation to the isolation period to help reduce the spread of infection.

Have a good rest over the next week – everyone deserves it! Stay safe and we look forward to seeing you all back in school on Tuesday 3 November.

Best wishes,

Mrs Shore
