

Step 1: Use a Google Chrome Browser and go to Google.com

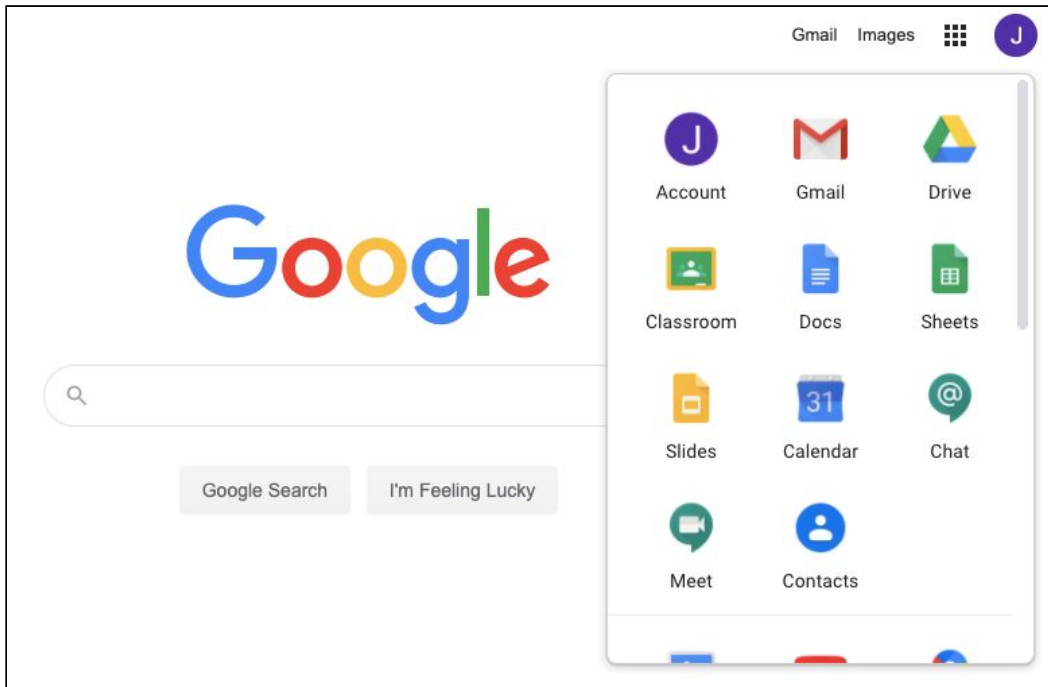

Step 2: Click on the blue sign in button in the top right corner and use the login for Google Classroom that your teacher has given you.

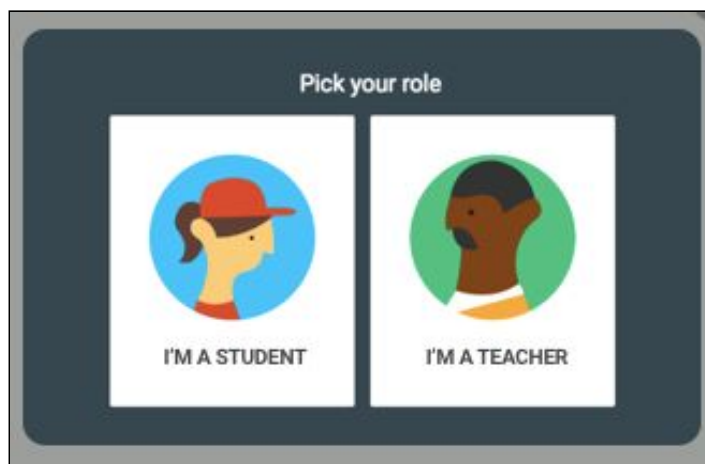

Step 3: Now you are signed in, click on the set of nine squares in the top right corner

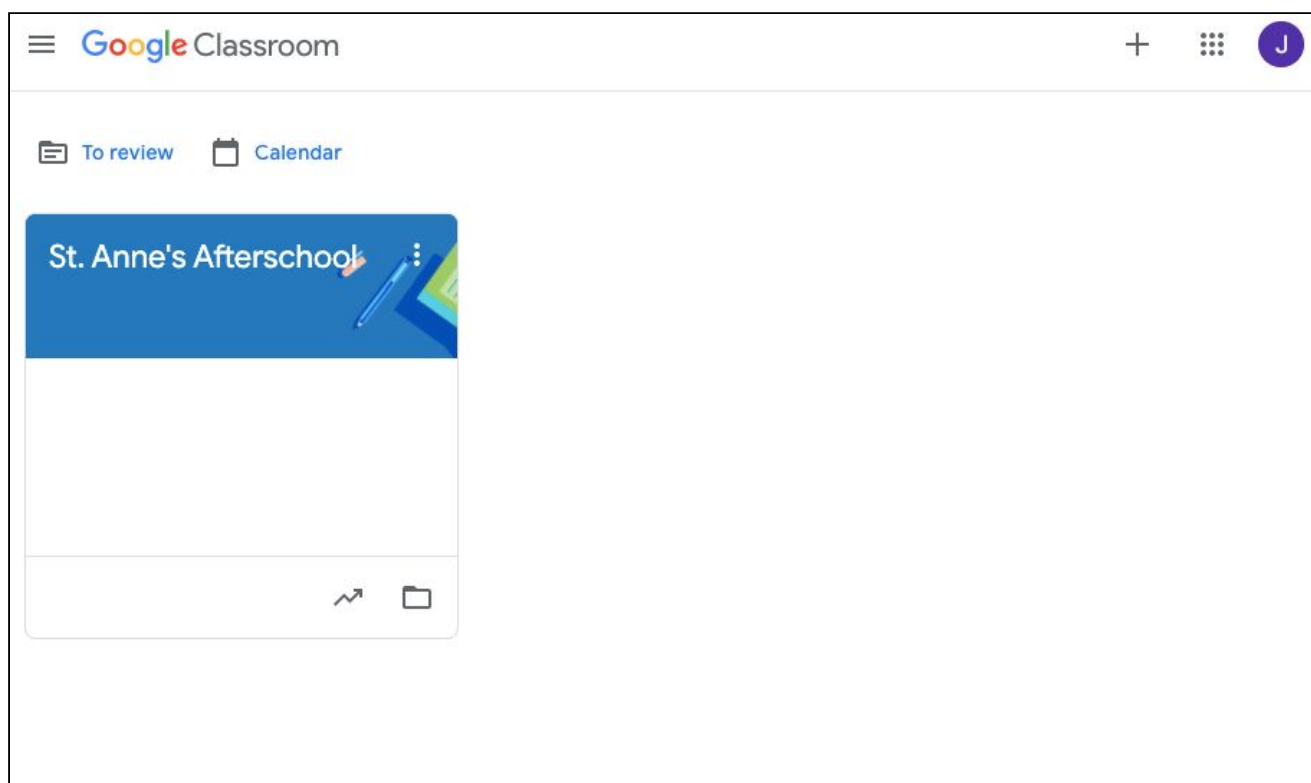

Step 4: Click on the Classroom icon which will open your Classroom homepage

Step 5: Select 'continue' on the next screen and confirm you are a student. On your Classroom homepage you will see a classroom that your teacher has created for you.

Step 6: When you see your Google Classroom you must click the join button in order to access that day's learning.

How to Guides

Pupils, if you need a refresher for using Google Classroom here is a basic introduction to the Student's View of Google Classroom. If you have any questions please contact your teacher.
