

Don't let your child miss out!

What can you do:

- Have a regular routine for the start of each day.
- Help your child get their clothes and equipment ready before they go to bed.
- Set a reasonable bed time to make sure they get enough sleep.
-

Being late can have a negative effect on your child's day.

If your child arrives late for class:

- They miss out on important learning, which could affect their achievement.
- They don't have the social time to settle into class.
- They can feel embarrassed.
- They may disrupt learning for the rest of the class.

Punctuality Matters!
